TS_03 - PRODUCT SORT							
TEST CASE ID	TEST CASE NAME	TEST STEP	TEST STEP DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	STATUS	COMMENTS
TC_03_01	Sort By Name (A to Z)	Step 1	Open Swag Labs Login page on saucedemo.com Login as Valid User	Swag Labs Inventory page is available	**PASSED**		
		Step 2	Go to the sort filter dropdown	1. The default sort option is set to "Name (A to Z)" 2. The items in the inventory page are indeed sorted by ascending alphabetical order	**PASSED**		
TC_03_02	Sort By Name (Z to A)	Step 1	Open Swag Labs Login page on saucedemo.com Login as Valid User	Swag Labs Inventory page is available	**PASSED**		
		Step 2	On the sort filter dropdown, select "Name (Z to A)"	1. The sort option is set to "Name (Z to A)" 2. The items in the inventory page are now sorted by descending alphabetical order	**PASSED**		
TC_03_03	Sort By Price (Low to High)	Step 1	Open Swag Labs Login page on saucedemo.com Login as Valid User	Swag Labs Inventory page is available	**PASSED**		
		Step 2	On the sort filter dropdown, select "Price (low to high)"	1. The sort option is set to "Price (low to high)" 2. The items in the inventory page are now sorted by ascending price order	**PASSED**		
TC_03_04	Sort By Price (High to Low)	Step 1	Open Swag Labs Login page on saucedemo.com Login as Valid User	Swag Labs Inventory page is available	**PASSED**		
		Step 2	On the sort filter dropdown, select "Price (high to low)"	1. The sort option is set to "Price (high to low)" 2. The items in the inventory page are now sorted by descending priceorder	**PASSED**		

TS_04 - SHOPPING CART							
TEST CASE ID	TEST CASE NAME	TEST STEP	TEST STEP DESCRIPTION	EXPECTED RESULT	ACTUAL RESULT	STATUS	COMMENTS
TC_04_01	Add Products to Cart	Step 1	Open Swag Labs Login page on saucedemo.com Login as Valid User	Swag Labs Inventory page is available			
		Step 2	Click "Add to Cart" on multiple items	1. For each selected item, "Add to Cart" button changed to a clickable "Remove" button 2. Number of items selected appears in a red badge over "My Cart" Button	PASSED		
		Step 3	Click on 'My Cart' button	All selected items are displayed in the order they were chosen in the 'My Cart' Page	PASSED		
		Step 4					
		Step 5					
TC_04_02	Remove Products from Cart	Step 1	Open Swag Labs Login page on saucedemo.com Login as Valid User	Swag Labs Inventory page is available			
		Step 2	Click "Add to Cart" on multiple items	1. For each selected item, "Add to Cart" button changed to a clickable "Remove" button 2. Number of items selected appears in a red badge over "My Cart" Button	PASSED		
		Step 3	Click on 'My Cart' button	All selected items are displayed in the order they were chosen in the 'My Cart' Page	PASSED		
		Step 4	Click "Remove" on multiple items	1. For each removed item, the item disappears from the 'My Cart' Page, while the rest of the items remain 2. Correct number of items remaining after removal appears in the red badge over "My Cart" Button	PASSED		
		Step 5	Click on 'Continue Shopping' button	1. All remaining items after removal are displayed in the Inventory Page 2. For each item removed in the 'My Cart' Page, the "Remove" button chaged back to "Add to Car" in the Inventory Page. The items that were not removed in the process, remain with the clickable "Remove" button	PASSED	BUG	*There's a usability/out of bounds bug here:* I selected random items in the Inventory page, then went to the 'My Cart' page, removed an item from this page, clicked on 'My cart' Button >>> One of the items disappeard from the Cart page, however when refreshing the page it returned to normal
TC_04_03	Shopping Cart Page Functionality	Step 1	Open Swag Labs Login page on saucedemo.com Login as Valid User	Swag Labs Inventory page is available
